Lobbying – Dedicated Industry Lobbyist

CAVE employs a full-time lobbyist who is dedicated to monitoring important issues, informing members, facilitating discussion and acts as a liaison to the Colorado wine industry. CAVE also has a lobbying committee. This committee is devoted to navigating the direction of future legislation, giving the membership and the industry a cohesive voice.

VinCO – Discounted Registration

Every January, CAVE coordinates the largest regional trade conference, VinCO in Grand Junction. VinCO is the region's premier grape growing and winemaking conference, bringing together top experts in enology, viticulture and business to Grand Junction each year. CAVE's purpose in hosting VinCO is to create a venue to discuss a variety of topics pertinent to our emerging wine region. As a CAVE member, you will receive discounted registration to this valuable conference.

Colorado Mountain Winefest – Discounted Registration

Held every September in the heart of Colorado wine country in Palisade, Mountain Winefest is the state's largest wine festival and was recently named the Best Wine Festival in the Nation by USA TODAY! This event is the largest fundraiser for CAVE and is the reason the organization is able to bring our members other benefits such as VinCO and a dedicated lobbyist as well as additional events throughout the year. As a member, you will receive discounted booth registration to attend this event.
